Smiles of all ages appreciated!

“Dr. McNiel’s office is amazing with kids! They are patient with them, explain everything they are doing to the kids and let them see and touch the tools before using so the kids are more comfortable. My kids love everyone there and love going there and we appreciate their kindness and care for the kids.”

- Lindsey S.

## Plan Guidelines

Plan must be renewed annually at or around anniversary date to continue.

Patients must complete treatment within the benefit year.

Patients are strongly encouraged to preschedule appointments to maximize scheduling preferences.

No substitutions are permitted for included procedures.
